## Accessing MSDN-AA (aka Azure Dev Tools for Teaching)

**1.** Go to <u>https://support.engr.arizona.edu/</u>

**2.** Scroll down just a little bit to **Software**, click on **Azure Development Tools For Teaching**.

**3.** Click the **blue Sign In button**, which should take you to a UA sign-in page.

Sign In Note: There are **three** places for signing in on this page. آر(ッ)\_ر Use the blue Sign In button.

**4.** Once you've signed in and accepted the terms, you should see a big list of resources on the left, and a shorter list just to the right of that, including Quick Start, Software, and Learning. Click Software, and you can **download** programs and retrieve the software keys.
